Hi there! I'm Kristen

Kristen has an eye for beautiful, sparkly things. She has always been a creator and even as a child, she knew she wanted a life filled with things that would make people learn to love themselves and be happy. Being plus size, she has turned this dream into creating body positive content for the everyday person. 68% of the world's population is plus size, and she is here to create content that shows the 68% a life filled with beautiful things.

A graphic for a TikTok profile. It features a large, textured gold circle in the center. The words "TIK TOK" are written in white, bold, sans-serif capital letters across the middle of the circle. Below the circle, the text "56,000 Followers" is written in a gold, slightly distressed font. The background is a light pink with a subtle, darker pink floral or watercolor-like pattern.
